Paul Jones Rejoins Flotilia of Boats

(Special from United Press.) Seattle, 2ug. 6.-A dispatch from Skagway to-day says that the torpedo at destroyer Paul Jones, which was cently badly damaged, has been emporarily repaired and has rejoined he flotilla of boats that is on a cruisin Alaskan waters. Two boats were broken on the starboard bow of the Paul Jones and the propeller shaft bent and other minor injuries sustained. The accident was caused by the tidal currents in Peril Straits carthe tidal currents in Peril Strate Carrying the Paul Jones out of the course. She nearly turned turtle when she struck the reef and several of the crew were injured by the force of the impact. The Paul Jones is commanded by Lieutenant H. S. Davis.

MELLEN APPEASED THEM

By granting a frenchise to pass through Mt. Vernon, the board of alfermen of that city yesterday removed for the New York, Westchester and Boston railroad the last obstacle in the way of completing that important transit link for the Bronx and the eastern portion of Westchester county. The construction of the road virtually means the extension of the present New York subway, by way of the Bronx branch, to Portchester, as well as a similar extension of the Second and Third avenue elevated.

Terms of the franchise extended by Mt. Vernon to the railroad call for completion within two years. To assure this, the company has given a read that the franchise was the franchise of the franchise the franchise was a similar extension of the second to the franchise was a first that the first th

sure this, the company has given a bond of \$50,000. Under the franchise Vernon will have five stationswo express stops and three local. The are from Mt. Vernon to the Harlem

ver will be ten cents. Mt. Vernon's aldermanic meeting asted over five hours because the op-onents of the application made by the ailroad wished to have it understood hat they feared the suburban passener traffic of the New Haven rail-coad would be diverted to the new coad, thereby inconveniencing those who were better served by the present service of the New Haven company. Opposition was overcome eventual-Opposition was overcome eventually by the assurance, given by a representative of President Mellen of the New Haven road, that no attempt would be made to divert traffic to the Westchester & Boston and that the present station service would be con-

Dr. Huntington Leaves Rectors' Fund of \$40,000

New York, Aug. 5.—Through a codi-cil attached to the will of the Rev. Dr. William R. Huntington, late rector of Grace Church, who died at Nahant, Mass., on July 26, it became known Mass., on July 25, it became known yesterday that the promise made by him in December, 1908, that he would apply the \$40,000 given to him at that time by his parishioners on the twenty-fifth anniversary of his rectorship as a trust fund for the support of respectively. rectors or their widows has been

The codicil is dated Dec. 8, 1908, nearly two years after the original which was executed March 6, 1907.

Hubert L. Hart of Park street, Stratford, while hurrying last night to catch a Stratford car on Fairfield avenue, slipped on the pavement in of the Atlantic Hotel and injured his nose. The ambulance took him to the Emergency hospital where Dr. Kiernan reduced a compound frac-ture of the bridge of the nose and took two stitches to close the wound. Mr. Hart is employed as a foreman by the Singer Manufacturing Co. He was sent to his home in a carriage.

A bed bug crawling on your children's clothes when away from home does not speak well of that home, but instead gives to your friends a lasting impression of neglect and carelessness in that home and is often whispered around among other friends of the family. Such unpleasant comment could have been avoided if you had used Cyrus Presto Killer for Bedbugs. The cost is only 25 cents and would have effectually cleaned the bed.

REDDING SCHOOLS

Interesting is Final Accounting of Attorney Burgess of Ancient Fame.

OTHER NEWS OF INTEREST

Redding, Aug. 5 .- Thanks to an act recently passed by the legislature this sentiment of his constituents.

of 21. In his original petition Mr. Burgess put in a claim for an allowance of \$1,250 for the maintenance and education of his daughter. Since the death of her mother when the child was two years old Edith has lived with her aunt, Mary Burgess of Orange, N. J., who also puts in a claim for services and expenditures of \$3,500 The only property owned by the Burgess girl is a house at Redding Center which is on the tax list for \$600. This property was bought by her parents while she was an infant and the title placed in her name, the father re-serving a life use for himself. This life use he recently conveyed to h's present wife who is his seventh matri-monial partner. Burgess is the man who gained notoriety a few years ago

S. OF ST. G. Magna Charta Lodge, S. of St. G., completed arrangements last night for sending delegates to the grand lodge at Danbury next Tuesday. District Deputy E. M. Leggo of Ansonia is expected to pay the lodge a visit next week. W. O. W. Major John P. Mosel of the Uniformed Rank announced Tuesday night at the meeting of John C. Tuthill Camp. W. O. W., that in recognition of the gift of a sabre made to him Memorial day he would give all the members a shore dinner on the field day of the

FOREST SCHOOLS IN CONFERENCE The heads of all universities, colforestry is taught have been invited by Gifford Pinchot, United States forest-er, to attend or send a representative

to the conference on education in for-estry which will be held in Washing-

IN LOCAL LODGE ROOMS

ton in December. In his letter of in-vitation the forester says: "I believe that a conference of repuniversities and colleges in which forestry is taught might be made of great value to the general progress of forestry in the United States, as well as to the institutions which teach forestry, and to the forest service, which employs so many of their graduates, and which is vitally intrested in the best training of foresters. Such a conference might well consider the objects and methods of forest instruc-tion, the organization and standards of educational work in the field of forestry, the co-ordination of the work

forestry, the co-ordination of the work of different institutions, and the needs of the forest service and other employers of forest graduates.

"I hope you will find it possible to be present or to send a delegate to a conference of this kind, which, with the concurrence of the institutions concerned, will be held in Washington December 30 and 31, 1909."

From all over the country the plan

From all over the country the plan as met with enthusiastic support, letters of acceptance having been re ceived from nearly every institution to which the invitation has been sent.

YOUTHFUL PEDESTRIAN

New Haven, Aug. 5.—Possessed seemingly with a peculiar pedestrian desire little nine-year-old Pales. nine-year-old Ralph Cole Spring street set out yesterday to walk story of his ambitions to go down state the officer took charge of him and sent him to the Organized Charities to be returned to his parents. That little Ralph is very much in love with son. Norwalk seems the reason for his attempt, for one day about a week ago

Woman Arrested For Swindling Trolley Roads

Oakland, Cal., Aug. 5.—In the arrest of a woman giving the name of Maude Johnson the Oakland police declare they have unearthed a plot by which street car companies all over the country have been swindled out of thousands of dollars. The police declare that the woman is in the habit of receiving fake injuries by allowing of receiving take injuries by anowing herself to be joited by a car, falling and pretending to be injured internally. They allege that when she falls she slips a chemical into her mouth to imitate blood and she throws out her joints at will. James Luther and Frank Johnson her alleged pals, have been placed un-

Deaths and Funerals.

Jacob William Mikler died yesterday at his home, 111 Park street. Deceas-ed was 48 years old and is survived by a wife and infant daughter.

The funeral of Frank A. Foster was held yesterday morning from his late home, 76 Hough avenue. Friends of the deceased and delegations from the

town, like all the rural towns of the State having the district system, is about to pass under the consolidation or town management system. Teachers have already been hired for most ers have already been hired for most gagements will of course hold good until next year. A special town meet-ing must be held previous to the October election to decide whether the new board of education, which will have the entire management of school affairs, shall consist of three, six, nine or twelve members. Until the new board comes in with its enlarged powers the aviation districts. September, an appraisal of all the school property. The change of system is welcomed by those who have the educational interests of the town most at heart, although the change would probably have been a long time in coming had it been dependent on securing a majority vote of the town One of our representatives when ask-ed to support the legislative measure just enacted replied that if he did so would be acting counter to the Rather an interesting case will come on for a hearing to-morrow before Probate Judge Nickerson. Its subject is the final accounting of Attorney C. A. Rurgess, of New York and Redding Center, as the guardian of his daughter. Edith, who has reached the age At last night's meeting the members of Naomi Lodge, S. of B., discussed plans for the trip of the degree team to Naugatuck to work the degree for the benefit of the local lodge. No date was decided on because of inability to secure trolley accommodations. The lodge received four applications for membership and entertained Mr. for membership and entertained Mr. and Mrs. F. J. Roberts of Springfield, Mass. The lodge's field day will be celebrated at Savin Rock on Aug. 25.

Cap or hazing performance here. He brought from New York to the house at the Center a handsome young Cuban woman on representations, as she claimed, that he had a lordly estate here and would marry her upon their arrival. When she found she had been tricked she made her plight known and the chivalry and moral sentiment were aroused. There was known and the chivalry and moral sentiment were aroused. There was hastily organized a party of "Regu-lators" which descended upon Burgess at night and dragging him out to the road kicked, cuffed and banged him until he was a sorry looking object, He threatened to proceed legally against his assailants but never did.

The house and barn on the Wilcoxson place near the line between Redding and the Hattertown district of Newtown were burned last Sunday. Newtown were burned last Sunday

being undoubtedly set on fire as the house was not occupied. The property was of small value, but the place has tragic associations on account of being the scene of Andrew J. Peck's murder something over twenty years ago. The victim had quarrelled one summer morning Stoeffel stole across lots to Peck's premises and when Peck appeared at his door fired into him, from behind a stone wall, a charge of buckshot combined with a varied assortment of slugs. The victim cavorted for a moment, like a grasshopper as Stoeffel afterwards described it, and quickly expired. On Stoeffel's first trial the jury disagreed. Before the time set for the next tria Sheriff Clarkson caused the prisoner's garden to be dug over and thereby found the weapon with which the killing had been done. The second trial resulted in conviction and a life

sentence. Stoeffel several times vain-ly petitioned for pardon. Isaac W. Josephi of New York, is the purchasing party in the real estate transaction in the northwestern part of the town to which reference was recently made. The tract he has acquired lies mostly in Redding but partly in Ridgefield and comprises 78 The sellers are Wilhelmina is. Ann E. Stiles and Frank Taylor. Mr. Josephi will build a cost-

ly residence on the tract. Work on the Ridge State road was not started last Monday as expected for the reason, partly, that the contract, which must be signed by the tract, which must be signed by the selectmen, had not arrived from Hartford. The contractors expect to get the job under way next week. First Selectman Banks, at the request of Highway Commissioner Macdonald will supervise the work. Italian laborers are to be mostly employed. Supt Cooke, of the Storrs College farm at Georgetown, has invited Pomona Grange of Fairfield county to

meet there for a field day on Wednes day of next week. Redding Grange will attend, making of the occasion to Norwalk, but when he had reached will attend, making of the occasion a West Haven he was held up by Officer basket picnic. There will be talks on Smith, and after he had told his little farm topics by a number of speakers. There was a slight verbal passage-at-arms at the selectmen's meeting last Saturday between First Select-man Banks and Town Clerk Nicker-The former had written the town clerk asking him to appear before the board with the stubs of all the dog he set out for that city and actually reached there. Some attempt will be made to control the wander desire of the young boy.

Ilcenses issued in order that the discrepancy between his showing and that of the dog agent might be returned by the young boy.

In the set out for that city and actually respect to the dog agent might be returned by the young boy. with the assertion that the selectmen had no compelling power in the matter. He said he had turned over all the money due the State from the licenses and this was the end of it.

Mr. Banks has written the attorney general to ascertain what powers the selectmen have in the matter. Funeral services for John McDonald were held at Bethel on Monday with a high requiem mass by Rev. Father Klernan. There was a large attend-ance and the floral tributes were many and beautiful. The pall bearers were Thomas and Michael Flood, Dennis Ryan, James Reynolds, Francis Ma and Frank Sullivan.

A Bethel man's auto was disabled Sunday evening by the breaking of an axle while climbing Sanfordtown Great Two cars were called from Bethel by phone, one to take home the machine and the other the passengers. Wilbur Hubbell, colored, of Pleasant fell from the town road machine the other day. One wheel scraped the side of his head, taking off the ear and leaving a bad scalp wound.

Nichols, apprulsers on the estate of Companies report handling many wire-the late Patrick McDonald, have re-less messages to captains telling them ported to the probate court real estate to rush toward home. The Pennsyl-
